HARTING

Ha-VIS MK3000 Wall
Ha-VIS MK3000 DINV
Ha-VIS MK3000 DINH

Features

- Mounting adapter for use with Ha-VIS eCon 3000 Ethernet Switches

- Easy mounting of DIN rail switches on walls

- Flat mounting on DIN rail with port orientation to the side (vertical)

- Flat mounting on DIN rail with port orientation downwards (horizontal)

- Integrated cable manager, for direct fixing the data cable close to the switch, improves the stability and the shock and vibration performance

Technical characteristics

- Material   Steel (1.5 mm)

- Surface   Galvanized

Identification	Part number	Drawing	Dimensions in mm
Ha-VIS MK3000 Wall Flat wall mounting	24 98 100 0003		
Ha-VIS MK3000 DINV Flat DIN rail mounting, vertical	24 98 100 0004		
Ha-VIS MK3000 DINH Flat DIN rail mounting, horizontal	24 98 100 0005
