

## System cable fibre optics

### Features

- Connector types LC/SC/ST
- Type of core Multi mode, OM3
- Number of cores 2
- Wiring Crossed (boot marking)
- Sheath material LSZH

### Advantages

- Transmission of up to 10 Gbit/s
- Flexible, space saving
- Verified after assembling
- Halogen free and RoHS compliant
- Compliant acc. ISO/IEC 11801

### Applications

- Industrial cabling
- Within switch cabinets
- In IT Networks
